

Dear Neighbors,

We find ourselves in a very precipitous moment in state history. The legislation that we have heard in the State

Assembly in recent weeks foreshadows darker times to come. I will detail four particularly concerning bills as the main stories in this e-newsletter as well as highlight some positive things in our community.

This month the featured business, nonprofit, and neighbor are Urban Milwaukee, Ex Fabula, and Susan Davie. I also highlight Paul Tennesen's Halloween decoration in Bay View. I have compiled a brief list of community events and featured adoptable pets from MADCC and the Humane Society.

If you have suggestions for next month's featured neighbor, nonprofit, business, or if you have an event to add to my event calendar, please email me at Rep.Brostoff@legis.wi.gov.

Thank you to everyone who has submitted a survey so far! Your input and ideas help me be the best steward for the community. If you have not taken the survey yet, it is not too late! Please click [here](#) and let me know your thoughts.

Is someone forwarding this newsletter to you? Are you accessing it from my website? If you would like to be added to my e-news list, just send an email to Rep.Brostoff@legis.wi.gov and I will make sure you are subscribed.
